Deposit Guarantee Scheme - Depositor Information Sheet

Additional Information

¹ Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your eligible deposits would be repaid up to EUR 100,000.

² General limit of protection

If a covered deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum EUR 100,000 per person per credit institution. This means that all eligible deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with EUR 90,000 and a current account with EUR 20,000, he or she will only be repaid EUR 100,000.

This method will also be applied if a credit institution operates under different trademarks. This means that all eligible deposits with one or more of these trademarks are in total covered up to EUR 100,000.

³ Limit of protection for joint accounts

In case of joint accounts, the limit of EUR 100,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of Eur 100,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above Eur 100,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits relating to certain events which include:

- (a) certain transactions relating to the purchase, sale or equity release by the depositor in relation to a private residential property;
- (b) sums paid to the depositor in respect of insurance benefits, personal injuries, disability and incapacity benefits, wrongful conviction, unfair dismissal, redundancy, and retirement benefits;
- (c) the depositor's marriage, judicial separation, dissolution of civil partnership, and divorce;
- (d) sums paid to the depositor in respect of benefits payable on death; claims for compensation in respect of a person's death or a legacy or distribution from the estate of a deceased person.

More information can be obtained under www.depositguarantee.ie

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is:

Deposit Guarantee Scheme, Central Bank of Ireland, New Wapping Street, North Wall Quay, Dublin 1, D01 F7X3.
Tel: 1890-777777. Email: info@depositguarantee.ie. Website: www.depositguarantee.ie.

It will repay your eligible deposits (up to €100,000) within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 days from 1 January 2024 onwards, save where specific exceptions apply.

Where the repayable amount cannot be made available within seven working days depositors will be given access to an appropriate amount of their covered deposits to cover the cost of living within five working days of a request. Access to the appropriate amount will only be made on the basis of data provided by the credit institution. If you have not been repaid within these deadlines, you should contact the deposit guarantee scheme.

Other important information

1. Giving an order for payment from your account:

When you give us an order to make a payment from your account, we will need you to provide us with the details of the beneficiary of the payment (i.e. their account number and sort code, together with any relevant identification details for the payment service provider ('PSP') with which they hold their account). Depending on how you place your order with us (i.e. online, in our offices, by telephone etc) we may also need you verify that order by signature, by use of a password, or by use of a PIN, depending on the type of account that you hold. All of this information, taken together, is known as the 'unique identifier' that you must give us. In giving us that unique identifier, you will be consenting to our execution of that order for you. You cannot withdraw that consent after you have given it to us. However, if the order is for a direct debit to be taken from your account, you can revoke that order and your consent by notice to the beneficiary of that direct debit up to close of business on the business day before the funds are to be debited from your account. If the order is for a standing order to be taken from your account, you can revoke that order and your consent by [telephoning us or calling into our offices – to be confirmed] up to close of business on the Business Day before the funds are to be debited from your account. In exceptional cases, we may allow you to withdraw your consent after the times specified above, but our specific agreement will be required and we will not be obliged to do this.

2. Cut-off times:

When we are given an order in relation to a payment on your account, we must be given that order before ___ a.m./p.m. on one of our Business Days. If we are given that order after that time, we will be deemed to have received that order on our next following Business Day. If we agree with you that an order is to be executed on a particular Business Day, then we will be deemed to have received that order on that particular Business Day.

3. Execution times:

We confirm that we have up to the end of the first Business Day following the date of deemed receipt under 2 above to so credit that amount. If the order is initiated by paper we will have an extra Business Day to do this.

4. Spending limits and payment instruments:

If we give you a payment instrument on your account (i.e. a card with a PIN number, or use of online banking with a password etc [include any other types of payment instruments which may be used]), you may separately agree spending limits with us for use of a particular payment instrument. If we give you such a payment instrument for your account, you must, as soon as you receive it, take all reasonable steps to keep personalised security credentials safe including [include steps user must take]. If the payment instrument is lost, stolen, misappropriated or used in an unauthorised manner, you should notify us by ['at all times' contact details and secure procedure for notification to be inserted]. We reserve the right to block your use of a payment instrument for any of the following reasons:

- (a) the security of the payment instrument;
- (b) if we suspect that it is, or has been, used in an unauthorised or fraudulent manner;
- (c) (if the payment instrument is connected with the provision by us of credit to you) a significantly increased risk that you may be unable to fulfil your obligations to pay; and
- (d) our legal or regulatory obligations, including our national or European Union obligations.

If we block your use of a payment instrument, we will tell you about it (and the reasons for it) by [to be confirmed how this will be done] unless giving you that information would compromise our security or would be prohibited by law. You may request that we unblock the payment instrument and we will do so, or replace the payment instrument, once the reason for blocking no longer exists.

5. Charges:

We only levy a limited number of charges in connection with the accounts that we offer. Details of these charges are set out below: [charges]

6. Interest rates:

If an interest rate applies to your account, you are told this when you open your account and that interest rate is incorporated by reference into this Framework Contract. You can obtain confirmation of that interest rate by contacting us as set out on page 1 above.

7. Exchange rates:

If any payment on your account (including a withdrawal by you from your account) involves a currency conversion being made by us, we will use a reference exchange rate [to be confirmed what this is] (the 'reference exchange rate'). The reference exchange rate will change [daily –to be confirmed] and this is the basis on which we will calculate the actual exchange rate. On the date on which we effect the currency conversion, we will take the reference exchange rate that applies on that date, add a fixed amount of [amount to be confirmed] and the total will equal the actual exchange rate that is used by us in the currency conversion. You can find out changes to the reference exchange rate by contacting us as set out on page 1 above.

8. Giving you information:

If we need to communicate with you, give you information or notice of any matters relating to this Framework Contract, we will do so in writing unless we state otherwise herein. Include any other methods the credit union uses – such methods must be personal to the member. Such information or notice will be given to you promptly upon the requirement to do so arising. You may request that we provide or make available to you certain information (prescribed by law) relating to individual payment transactions executed on your account at least once a month and free of charge, in a manner that allows you to store and reproduce the information unchanged.

9. Copy Regulation 53 Information:

For as long as you hold this account with us, you have the right to receive, at any time and on request by you, a copy of this Framework Contract on paper or, if possible, by secure email.

10. Unauthorised transactions:

If you become aware of a transaction on your account that is unauthorised or incorrectly executed, or if your payment instrument is lost, stolen or misappropriated, you must tell us without undue delay and, in any event, within thirteen months of such a transaction being debited from your account. You will be entitled to rectification from us if that transaction was unauthorised or incorrectly executed. If the transaction was unauthorised, we will refund the amount of it to you and, if necessary, restore your account to the state that it would have been in if the unauthorised transaction had not taken place PROVIDED THAT:

(a) you will bear the loss of an unauthorised transaction on your account, up to a total of €50, if the unauthorised transaction resulted from the use of a lost, stolen or misappropriated payment instrument unless (i) the loss, theft or misappropriation was not detectable to you prior to the payment and you have not acted fraudulently, or (ii) the loss was caused by actions or lack of action by us or any of our employees, agents or third parties acting on our behalf.

(b) you will bear all losses relating to an unauthorised transaction on your account if you incurred those losses by acting fraudulently or by failing, intentionally or with gross negligence, or if you failed to take all reasonable steps to keep the payment instrument and personalised security credentials safe, to use the payment instrument in accordance with any terms that we tell you are applicable to it, and to notify us without undue delay of it being lost, stolen, misappropriated or used in an unauthorised manner;

(c) so long as you have not acted fraudulently you will not bear any financial consequences resulting from the use of a lost, stolen or misappropriated payment instrument once you have notified us in accordance with this Framework Contract that it has been lost, stolen or misappropriated;

(d) if we have not required strong customer authentication, in accordance with applicable legal or regulatory standards, you will not bear any financial losses unless you have acted fraudulently.

11. Refunds of direct debits:

If a direct debit is taken from your account but:

(a) your direct debit authorisation did not specify the exact amount of the payment; and

(b) the amount of the payment exceeded the amount you could reasonably have expected taking into account your previous spending patterns, this Framework Contract and other relevant circumstances; and

(c) you give us such factual information as we may require; and

(d) you did not give us consent in advance to the direct debit being taken from your account; and

(e) neither we nor the beneficiary of the direct debit made information available to you about the transaction at least four weeks before the debit date,

then you may request a refund from us of that direct debit for an eight week period following the debit date. We will then have ten Business Days to refund you, or give you reasons for our refusal to refund you.

12. Unique identifier:

If you give us an order to make a payment from your account and we execute it in accordance with the correct unique identifier, we will be taken to have executed it correctly as regards the beneficiary of that order. If you give us an incorrect unique identifier, we will not be liable for the non-execution, or defective execution, of the order. We will, however, make reasonable efforts to recover the funds involved.

13. Our liability if you make a payment out of your account:

If you give us an order to make a payment from your account, we are liable to you for its correct execution unless we can prove to you (and if necessary to the beneficiary's PSP) that the beneficiary's PSP received the payment. If we are so liable to you for a defective or incorrectly executed order, we will refund the amount of it to you and, if applicable, restore your account to the state that it would have been in if the defective or incorrect transaction had not taken place. Irrespective of whether we are liable to you or not in these circumstances, we will try to trace the transaction and notify you of the outcome. If we refuse to execute a payment transaction we will provide the reasons to you and the procedure for correcting any factual mistakes that may have led to the refusal unless prohibited by law or regulatory requirements.

14. Our liability if you receive a payment in to your account:

If the payer's PSP can prove that we received the payment for you, then we will be liable to you. If we are liable to you we will immediately place the amount of the transaction at your disposal and credit the amount to your account. If you have arranged for a direct debit to be paid into your account, we will be liable to transmit that order to the payer's PSP. We will ensure that the amount of the transaction is at your disposal immediately after it is credited to our account. If we are not liable as set out above, the payer's PSP will be liable to the payer for the transaction. Regardless of whether we are liable or not, we will immediately try to trace the transaction and notify you of the outcome.

15. Duration, changes and termination:

Your contract with us, as detailed in this Framework Contract, is of indefinite duration. If we want to change any part of the information provided herein which is required by Regulation 76, we will give you at least two months' written notice of the proposed change where required by law to do so. If you do not notify us within that two month period that you do not accept the proposed change, you will be deemed to have accepted it. If you do not want to accept the proposed change, you must notify us in writing and you will be allowed to terminate your contract with us in relation to the account to which this Framework Contract relates immediately and without charge before the end of that two month period. If we change an interest rate or an exchange
